FREQUENTLY ASKED QUESTIONS

- Does the program have a limit on the number of participants from each university?

The answer will be depended on whether you would like to have an exclusive program only for your students, or it is OK for you if we have several other universities joining the program. We are very flexible on the arrangement. If you would like to have an exclusive program only for your students, then the program will be conducted when there is a minimum of 15 students in total participating the program. However, if various university also joining, there is no requirement regarding the number of each university students participating the program. As long as the minimum number of 15 participants is achieved then the program can be conducted.

- Will participants apply for the program through a Google Form? If so, could you tell me its URL? Or will you provide us with an application form in a Word file or PDF file later?

We will provide a google form for the students.

- Can the program issue an invoice to students?

We can facilitate the invoice as you requested.
